Conference - Design

v1.7

1. General. Refreshed logo is applied. Open panel by mouseover icon.

2. General. All possible icons for Interactive/Lecture mode + Attendee/Presenter role + states (Muted, ect). All actions are not clicked (=activated).
+Badges for Chat and Participants.

3. General. All possible icons are switched on. Usually one/few of them are in ON state. Notes for some icons:

When user gets permission to speak, icon with text ('Speak') starts to be highlighted (turn on', glow effect). 'Mute' icon starts to be highlighted after user clicks on it and turns on function 'mute'

The screenshot shows a TeeVid video player interface. The video content is a presentation slide with the following elements:

- Title:** Ski and Snowboard Industry Revenues reached \$1.4 Billion
- Visuals:** A bar chart with six blue bars of increasing height, overlaid with a red arrow pointing upwards. The background features a snowy mountain range and a pair of ski poles.
- Text:** "The CSC estimates that the total ski area revenues for Canada for 2017/18 are \$1.376 billion."
- Speaker:** A man in a dark blue t-shirt is visible in the video frame on the right side.
- Player Controls:** At the top right, there are icons for Share, Speak, Mute, and Disconnect.
- Navigation:** A blue navigation bar at the bottom contains the text: "RECREATIONAL SNOWBOARDING, ALPINE • CROSS-COUNTRY SKIING IN CANADA • N".
- Footer:** The TeeVid logo and the text "ORGANIZATION DESCRIPTION" are on the left. On the right, there is a small image of people skiing and a text box stating: "The goal of the Canadian Ski Council is to increase participation in recreational snowboarding, alpine and cross-country skiing in Canada."

The screenshot displays the TeeVid interface. On the left, a large video window shows a male presenter with short brown hair, wearing a dark blue t-shirt with a white graphic of a skull with wings and two stars. The background is a plain light blue wall. At the top left of the interface is the TeeVid logo. At the top right, there are control buttons: 'Share', 'Mute' (with a crossed-out microphone icon), and 'Disconnect'. On the right side, there is a vertical sidebar. At the top of the sidebar is a smaller video window showing the same presenter. Below it is a section titled 'Presentation' containing a thumbnail of a laptop screen with a play button icon. Further down are two presentation thumbnails: 'TeeVid investors presentation' with 12 scenes, and 'Marketing presentation' with 9 scenes. The 'Marketing presentation' thumbnail features a collage of logos including Skype, Google, Avaya, Zoom, and others.
